

**26<sup>TH</sup> JUNE 2017**  
**COMMUNITY FORUM & AGM**  
**4.15pm - 7.30pm**

St Pancras & Somers Town Living Centre  
 2 Ossulston Street, London NW1 1DF

Healthwatch Camden holds its Community Forum twice a year, focusing on local policy relating to health and social care issues.

Healthwatch Camden wants to improve the quality of local 'voice' input on public policy developments and so create opportunities for an informed discussion.

The Community Forum puts great emphasis on being inclusive, having a broader conversation with local people. This time we are talking about:

**Provision of 'universal' services  
 (council or community services that anyone can use)**

We would be very pleased if you could join us.

**Universal Services**

What does it mean to you?

Come to our Community Forum and tell us

What is the impact?

What are the barriers?

What is the cost?

**Speakers**

Sarah McClinton -  
 Director of Adult Social Care Camden Council

Rosemary Nicholson -  
 Visually Impaired in Camden
